

## Closure Protocol

---

*For Charter Schools Authorized by  
Education One, LLC*

August 2014

Education One, LLC. must develop a charter school protocol “to ensure timely notification to parents, orderly transition of students and student records to new schools, and proper disposition of school funds, property, and assets” (IC 20-24-9-4.5 (a)). Additionally, Education One, LLC. must, if a charter school closes for any reason, “oversee and work with the closing charter school to ensure a smooth and orderly closure and transition for students and parents...” (IC 12-24-9-4.5(b)). This document is designed to both fulfill these statutory obligations and to provide transparency and information to Education One, LLC. authorized schools.

The closure process has three major components: (1) notice; (2) presenting contrary evidence to closure; and (3) winding down of operations. These components are similar for both revocation and nonrenewal, though some components differ slightly.

### **Revocation Process**

After assessing the Organizer’s noncompliance with the charter, as well as other relevant information, Education One, LLC. will provide written notice to revoke the charter agreement to the Organizer. Revocation notification will include (1) the grounds for revocation; (2) information regarding the revocation process; and (3) a revocation date. The Organizer must respond in writing within 20 business days showing cause as to why the Charter should not be revoked and/or proposing to cure the condition.

After hearing the recommendation and reviewing any written proposal submitted by the Organizer, the Education One board will vote on the revocation of the Charter. If the Education One board votes to revoke the Charter, the Organizer, via the Board Chair, and Principal will be notified within 24 hours via phone or email with a certified letter to follow. For a visual representation of the revocation process, please see the Revocation and Nonrenewal Process Timeline (p. 3).

### **Nonrenewal Process**

Education One staff will provide a written recommendation to nonrenew the charter agreement to Education One, LLC. The Organizer and the Principal of the School will also receive the written recommendation via email at least 20 days prior to the Education One, LLC. board meeting. At the meeting, the Education One board will be presented with the staff’s recommendation to nonrenew, as well as a recommendation from the Hearing Panel (see the section below on Requesting a Hearing). After deliberation, the Education One board will vote on whether to nonrenew the Charter. Education One, LLC’s decision to nonrenew is final. If the board votes to nonrenew the Charter, the Organizer, via the Board Chair, and Principal will be notified within 24 hours via phone or email with a certified letter to follow. Nonrenewal notification will include the projected last day of charter existence.

### **Requesting a Hearing**

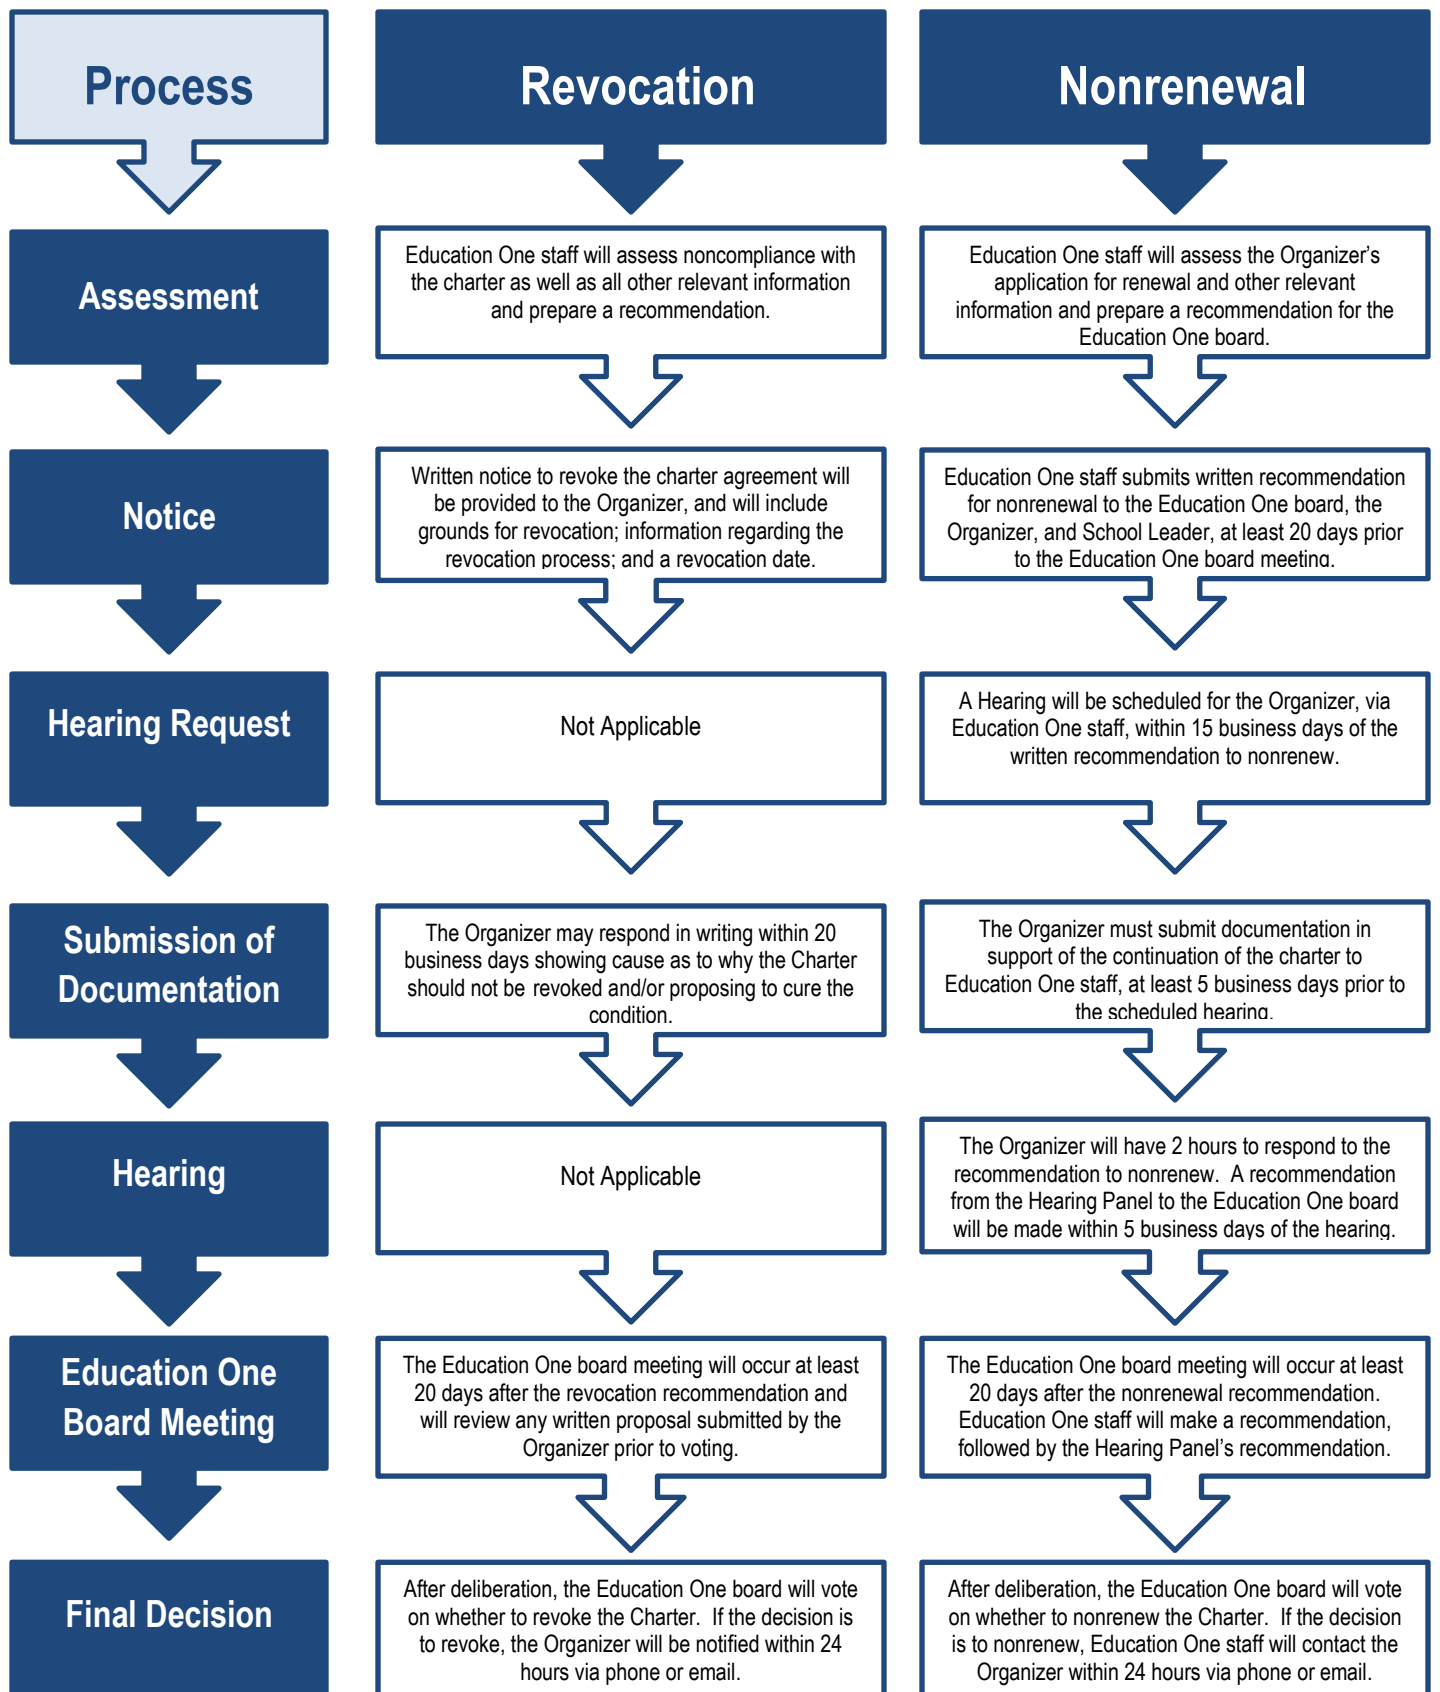

Education One, LLC. assumes that the Organizer will request an appeal of the nonrenewal recommendation, and therefore, will schedule a Hearing within 15 business days of providing written recommendation of non-renewal to the Organizer. At the Hearing the Organizer will have a period of time to respond to the recommendation to nonrenew (2 hours).

This opportunity allows the Organizer to submit documents and give testimony in support of the continuation of the charter school. All documents must be submitted to the Managing Director of Education One via email, within 5 business days prior to the scheduled hearing. The organizer is entitled to representation by counsel at the scheduled hearing. For a visual representation of the nonrenewal process, please see the Revocation and Nonrenewal Process Timeline (p. 3).

### **Winding Down of Operations**

Please see the Closure Protocol Action Plan (p. 4) for a guiding checklist that will be used in the winding down of operations. In creating this document, Education One, LLC. identified and adapted model closure protocols, developed by the National Association of Charter School Authorizers (“NACSA”) and the Indiana Charter School Board (“ICSB”). Education One, LLC. gratefully acknowledges the thought, leadership, and assistance of these organizations.
